

ASSEMBLED VEHICLE FROM A KIT

Required Documentation:

- ✓ 1. Completed INV 26-3
- 2. Properly assigned MSO for kit. NOTE-Kit includes the chassis and frame.
- 3. Notarized bill of sale from seller to applicant for the engine and transmission must include the 17-digit conforming VIN. NOTE-If the engine and/or transmission is purchased from the factory there will not be a 17-digit conforming VIN, only a part number.
- 4. Notarized affidavit stating the process used to assemble the vehicle and the reason applying for an Alabama assigned VIN.
- ✓ 5. Certified funds of \$15.00 for title application.
